# insider's picks

Brow artist **Julie Michaud** of makeup studio Michaud Cosmetics (297 Newbury St., 617-262-1607) can dramatically improve a face with just a few quick whisks of the tweezers. Here are her favorite local destinations.

**My favorite place to go for a manicure/pedicure is Bella Santé** (38 Newbury St., 617-424-9930). I love the serene feeling there. I'm completely relaxed from the moment I walk through the door.
